INTRODUCTION

At Transformer Furniture Inc., we specialize in creating innovative furniture solutions that blend style, functionality, and durability. Our flagship products, the Coffee Table and Transformer Coffee Table are designed with a patent-pending mechanism that allows them to seamlessly transition from a coffee table to a dining table. This unique feature ensures you're getting a product that is both exclusive and practical, perfect for dynamic living spaces. Built to withstand frequent use, our tables offer unparalleled stability and elegance, making them an ideal choice for those who appreciate multifunctional furniture without sacrificing aesthetics. Whether you need a compact coffee table for your morning routine or a spacious dining area for entertaining guests, Transformer Furniture Inc. delivers the perfect solution. Join us in redefining space with furniture that adapts to your lifestyle.

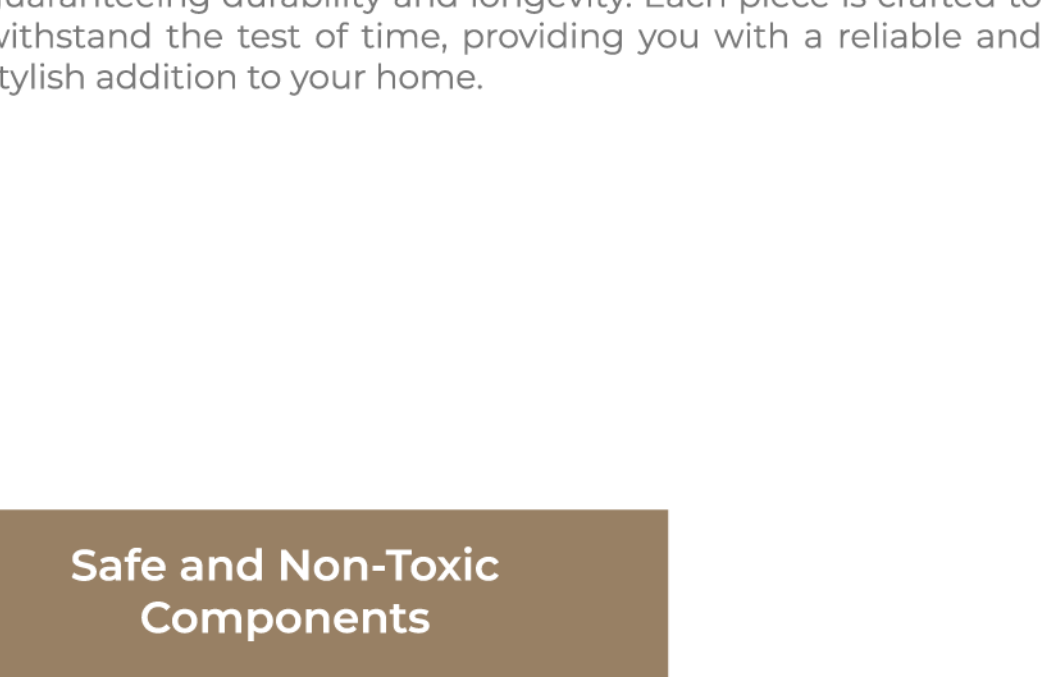

Why Choose Our Tables?

Proudly Designed and Assembled in the USA

Our transformer tables are meticulously designed and assembled right here in the USA, ensuring top-notch quality and supporting local craftsmanship.

Premium Quality Materials

We use only the highest quality materials in our furniture, guaranteeing durability and longevity. Each piece is crafted to withstand the test of time, providing you with a reliable and stylish addition to your home.

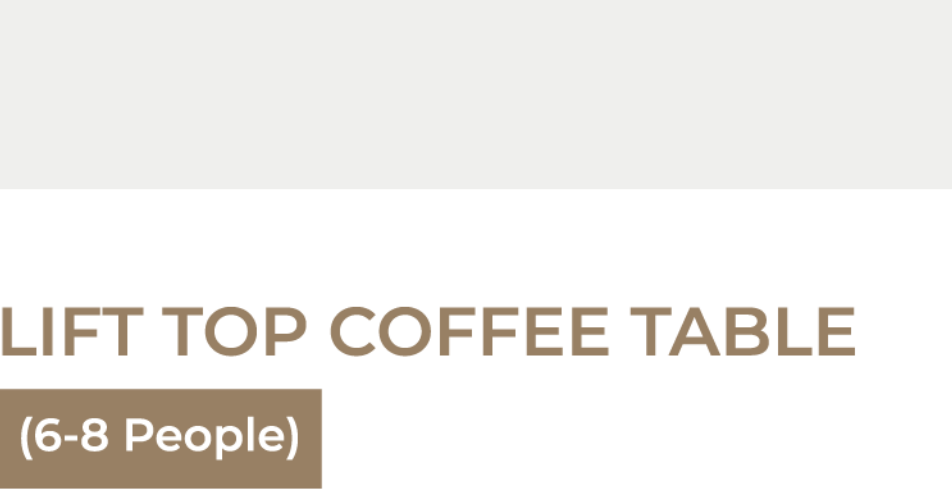

Safe and Non-Toxic Components

The materials used in our furniture are safe and non-toxic, ensuring that you bring home not only style but also safety and peace of mind.

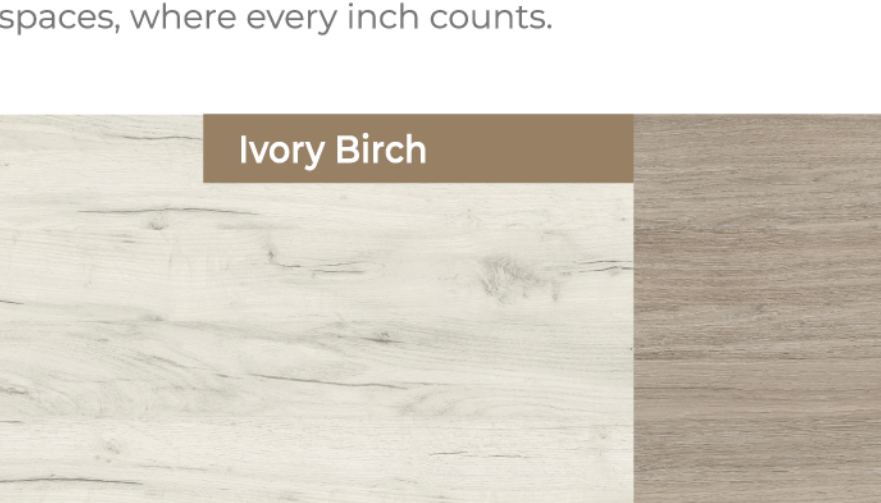

TRANSFORMER COFFEE TABLE

Descriptions

LIFT TOP COFFEE TABLE

(6-8 People)

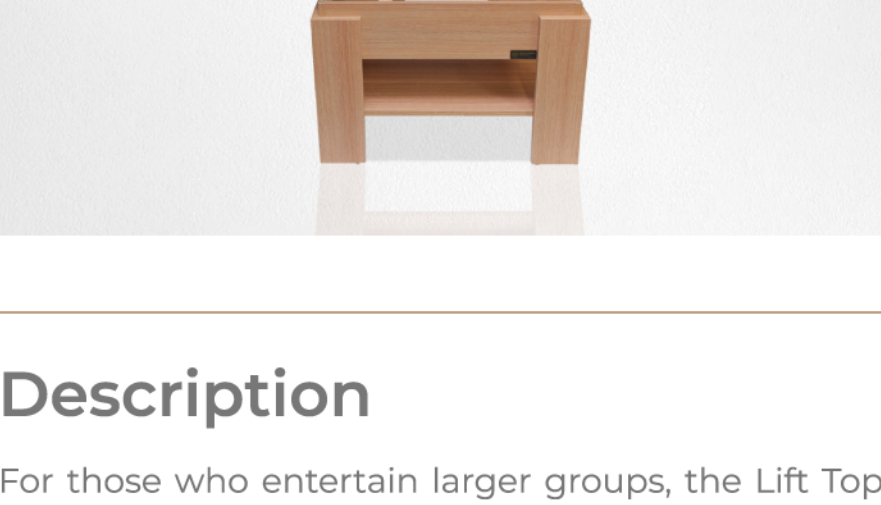

Description

The Lift Top Coffee Table is a revolutionary piece designed for those who appreciate both style and functionality in their living space. In its compact form, it serves as a chic coffee table measuring 31½ inches in width and 35½ inches in length, with a height of 21½ inches. Effortlessly, it unfolds to a full-sized dining table that can comfortably accommodate 6 to 8 people. When fully extended, the table measures 31½ inches in width and 71 inches in length, with a height of 31 inches. This variant is perfect for small apartments or studio spaces, where every inch counts.

Silverwood Birch

LIFT TOP COFFEE TABLE LARGE

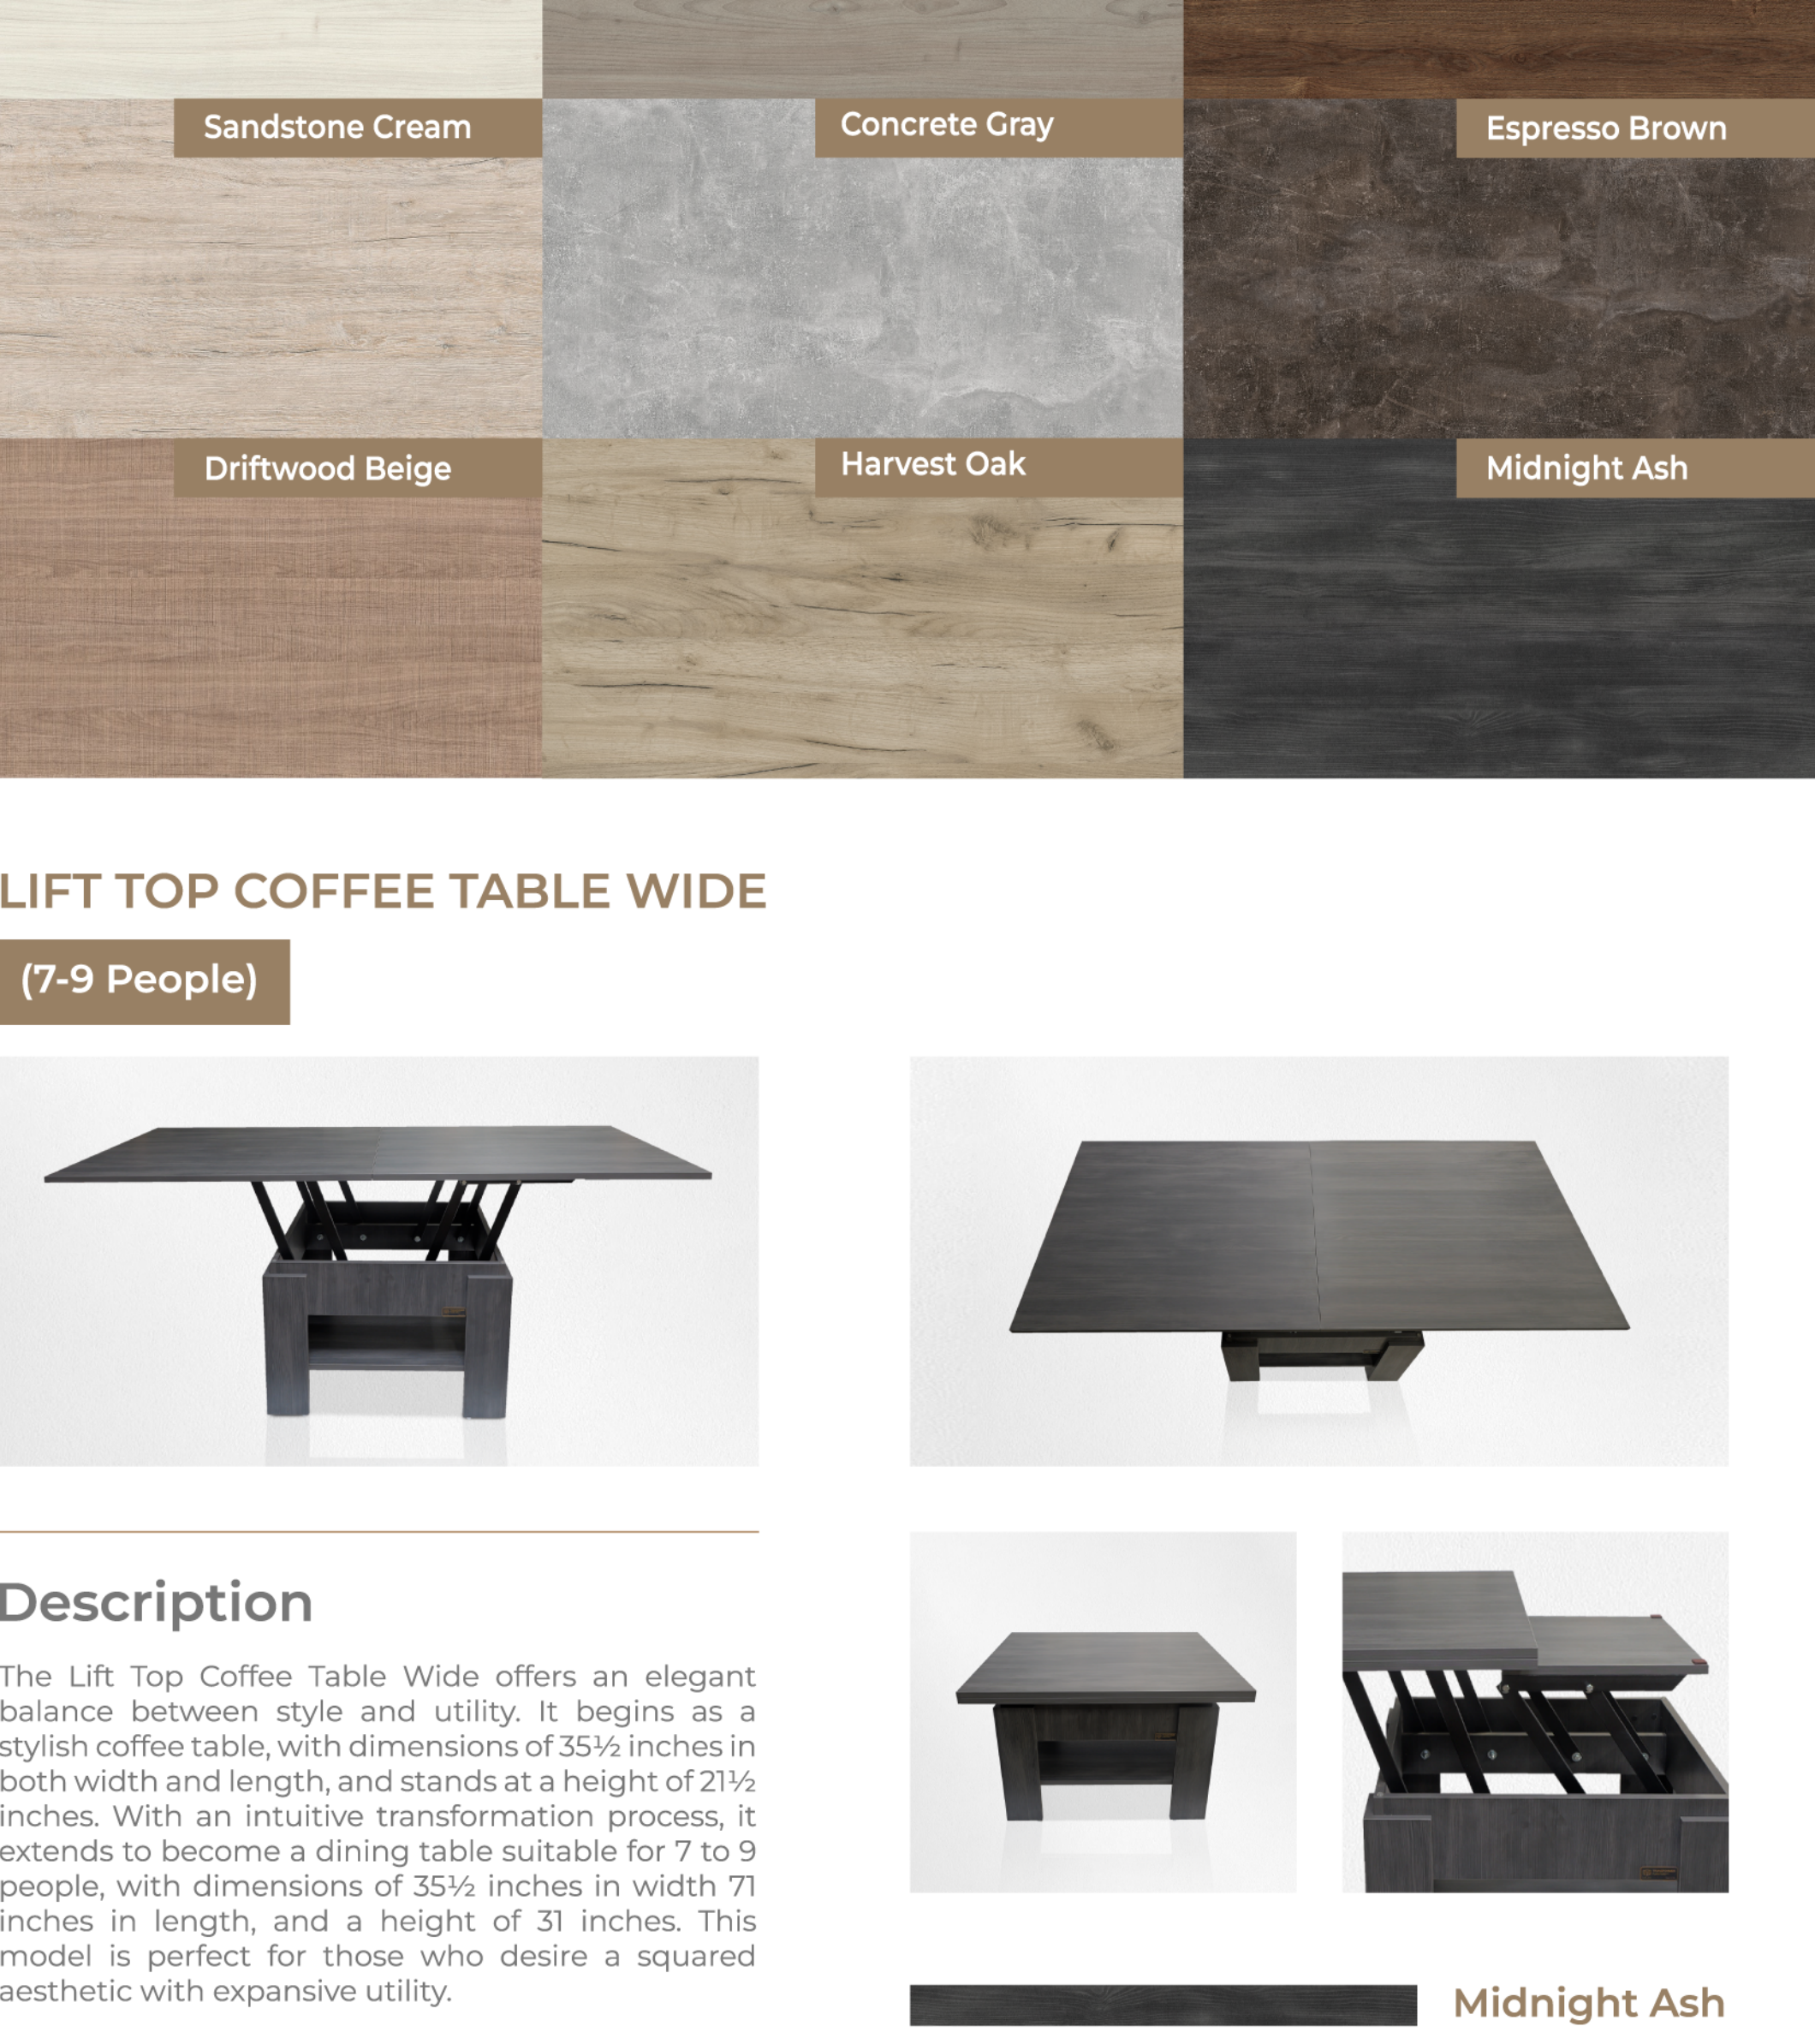

(8-10 People)

Description

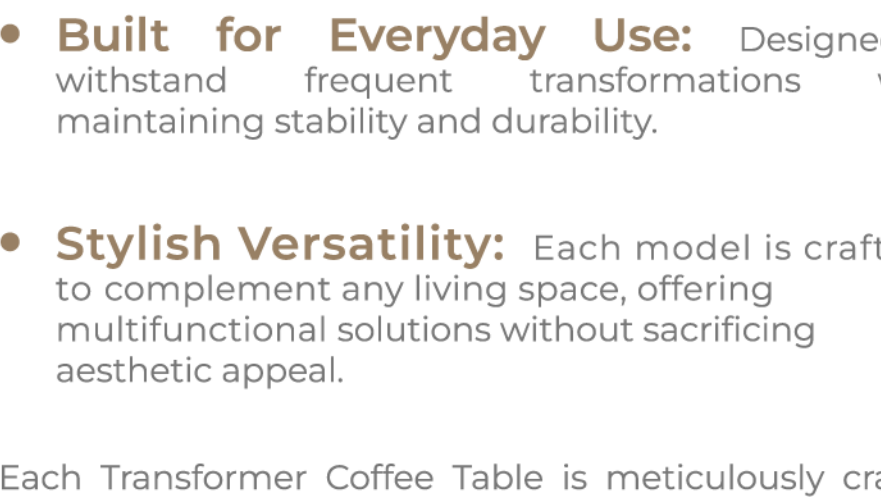

For those who entertain larger groups, the Lift Top Coffee Table Large provides the perfect solution. Initially, it maintains a modest profile with dimensions of 35½ inches in width, 39½ inches in length, and a height of 21½ inches. With a simple lift and extend mechanism, this table transforms into a spacious dining area, stretching to 35½ inches in width and 78 inches in length, reaching a height of 31 inches. It accommodates 8 to 10 people, making it ideal for family gatherings or hosting dinner parties without compromising on space or style.

Honey Elm

LIFT TOP COFFEE TABLE WIDE

(7-9 People)

Description

The Lift Top Coffee Table Wide offers an elegant balance between style and utility. It begins as a stylish coffee table, with dimensions of 35½ inches in both width and length, and stands at a height of 21½ inches. With an intuitive transformation process, it extends to become a dining table suitable for 7 to 9 people, with dimensions of 35½ inches in width, 71 inches in length, and a height of 31 inches. This model is perfect for those who desire a squared aesthetic with expansive utility.
